Beholder - In this game you are going to do spy on all the residents of your country, in the state totalitarianism reigns and often controls the personal lives of its citizens. Therefore, the country and hired you to do dirty work instead of them. Your task is to secretly spy on, eavesdrop on the inhabitants. To install hidden cameras, to search their belongings while they are at work and to compile a dossier on citizens, which can undermine the authority of the state and of your superiors! Features: Each of your decisions affects the storyMultiple endingsBeautiful graphicsInteresting plot of the game EXPERIMENTE GRÁTIS E, ENTÃO, DESBLOQUEIE A AVENTURA COMPLETA DE DENTRO DO JOGO! Seja bem-vindo ao futuro sombrio e distópico. "O modo como o Beholder faz a gente balançar na corda-bamba da moral é muito interessante e cria desdobramentos e decisões interessantes." Toucharcade Em destaque na lista da CNET dos Melhores Jogos Móveis de 2017. O Estado é autoritário e controla todos os aspectos da vida pública e privada. As leis são opressivas. A vigilância é total. Não existe privacidade. Você é foi nomeado pelo Estado como administrador de um edifício residencial. Sua rotina diária envolve fazer do edifício um lugar agradável para os inquilinos, que vem e vão. Entretanto, essa simples fachada esconde sua verdadeira missão... O Estado nomeou você para ESPIONAR SEUS INQUILINOS! Sua tarefa primária é observar sorrateiramente seus inquilinos e escutar suas conversas. Você deve IMPLATAR ESCUTAS nos apartamentos deles quando eles saíram, VASCULHAR seus pertences por quaisquer coisas que possam ameaçar as autoridades do estado, e TRAÇAR O PERFIL deles aos seus superiores. Você também deve DENUNCIAR qualquer pessoa capaz de violar as leis ou realizar ações subversivas contra as autoridades do Estado. O Beholder é tomar decisões importantes! O que você fará com as informações que obtiver? Vai denunciar atividades suspeitas de um pai e deixar seu filho órfão? Ou você vai guardar os detalhes das atividades ilegais dele e dar a chance para ele fazer as coisas certas? Você também pode escolher chantageá-lo e ganhar um pouco de dinheiro que sua família tanto precisa. Recursos: Você decide o que acontece: cada decisão tomada afeta o desenrolar da história. As pessoas não são apenas objetos: cada personagem que você encontrar terá uma personalidade desenvolvida a partir de seu próprio passado e presente. Nenhuma decisão é fácil: você recebe o poder de acabar com a privacidade de outra pessoa, mas será que vai fazer isso? Ou você deveria tratar essas pessoas que está espionando da forma que merecem? Você não sabe onde vai parar: "Beholder" é um jogo de finais múltiplos. A história extra, Seno da Felicidade, já está disponível!** O Ministério tem a honra de apresentar Hector, o ex-síndico sucedido por Calr Shteyn. Chegou a hora de revelar a história de personagens: * Que foram vítimas de um erro terrível, e agora estão desesperados à procura da salvação; * Que infringiram a lei para encontrar a felicidade e agora lidam com as consequências; * Que arriscaram suas vidas pelo Estado, mas foram deixados para trás; * Que tinham tudo, mas terminaram sem nada; * Que cometeram atrocidades! Volte a Krushvce 6 e sirva o Estado e o Sábio Líder! **Disponível na compra dentro do aplicativo * 3D Touch. Pressionar o Touch abre menu de interação com os personagens. • Cloud. ToucharcadeFeatured in CNET's Best Mobile Games of 2017A totalitarian State controls every aspect of private and public life. Laws are oppressive. Surveillance is total. Privacy is dead. You are the State-installed manager of an apartment building. Your daily routine involves making the building a sweet spot for tenants, who will come and go.However, that is simply a facade that hides your real mission.The State has appointed you to SPY ON YOUR TENANTS! Your primary task is to covertly watch your tenants and eavesdrop on their conversations. You must BUG their apartments while they're away, SEARCH their belongings for whatever can threaten the authority of the State, and PROFILE them for your superiors. You must also REPORT anyone capable of violating the laws or plotting subversive activities against the State to the authorities.Beholder is all about making choices - choices that matter!What will you do with the information you collect? Will you report the suspicious activities of a father and orphan his children? Or will you withhold the details about his illegal activities and give him a chance to make things right? You may also choose to blackmail him to acquire the money your family desperately needs.Features:You decide what happens. Every decision you make affects the way the story unfolds.People aren't just objects. Each character you meet will have a thoroughly developed personality with his or her own past and present. No decision is easy: If you are given the power to destroy the privacy of another person, should you? Or should you treat those on which you are spying the way they deserve? You don't know where you'll end up. "Beholder" is a game of multiple endings. "Blissful Sleep" additional story is already available!**The Ministry of Introductions is honored to introduce Hector, the ex-landlord succeeded by Carl Shteyn. The time has come to tell the stories of:* The one who has fallen a victim to a horrifying mistake, and is now desperately seeking for salvation;* The ones who broke the law to find happiness and are now facing the consequences;* The one who risked his life for the State but has been left behind;* The one who had everything but lost it all.* The one who mews!Return to Krushvce 6 and serve the State and Wise Leader well!** Available through in-app purchase• 3D Touch.
